Datatelligent

REPORTS

IPEDS ASSISTANT

Unified Data Integration:
Unified Data Solutions consolidate data from multiple sources into one accessible repository, enhancing data quality and eliminating silos.

Automated IPDES Reporting:
Easily generate reports with the exact values required for IPEDS submissions, reducing manual entry, minimizing errors, and freeing up staff time.

Secure Data Archiving:
With built-in archiving, create snapshots of datasets at every reporting cycle, ensuring data integrity and compliance.

Benchmarking and Comparative Analysis:
Intuitive tools to benchmark your institution's data against similar colleges, gaining valuable insights to inform decision-making and strategic planning.
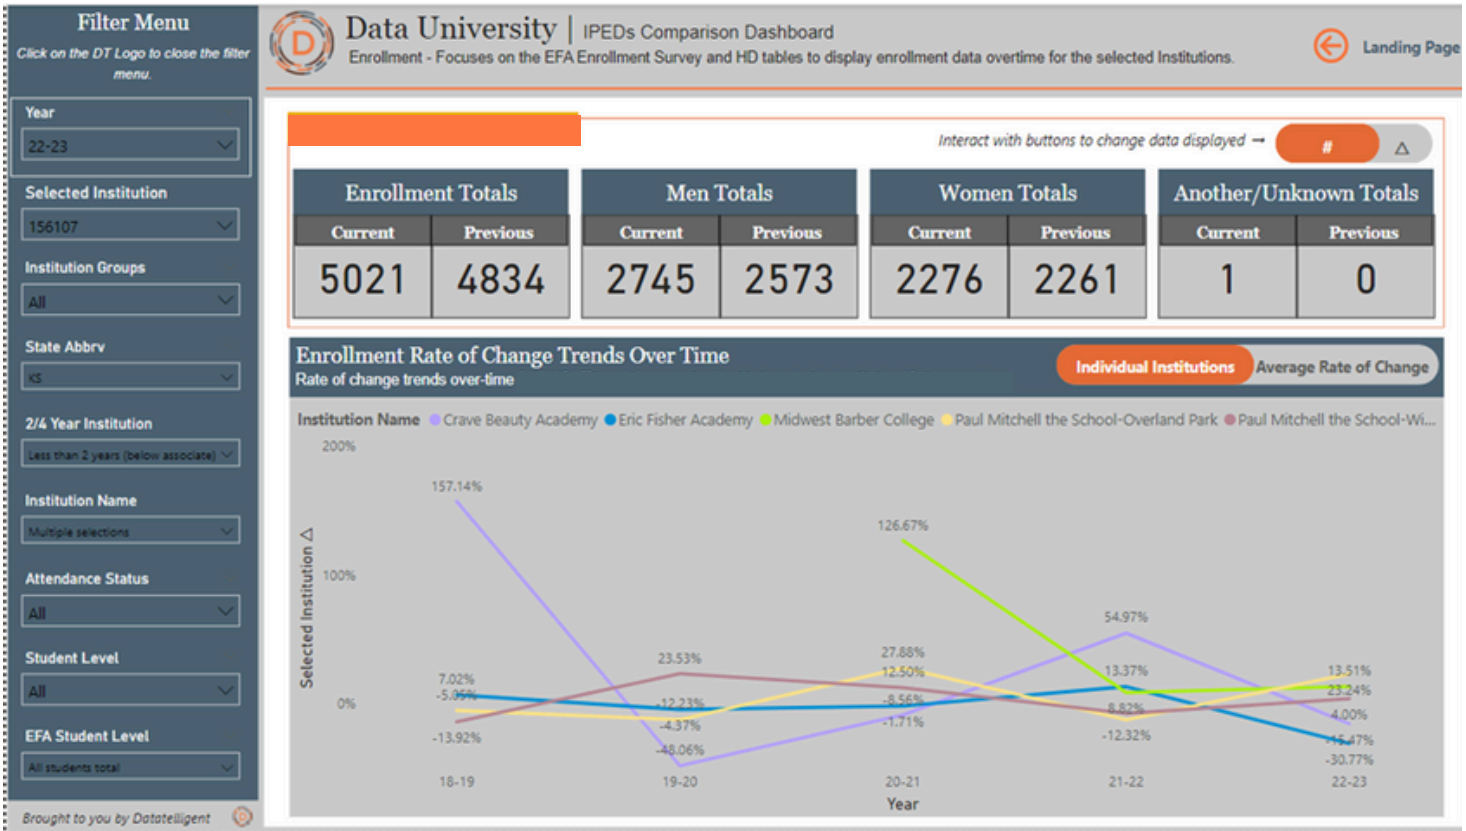

Your comprehensive data management solution simplifies the entire IPEDS data process — from data acquisition to reporting and benchmarking — so you can focus on driving insights and strategic planning.

Streamline your IPEDS Reporting:

- **Time Efficiency:** Automated processes save time, allowing staff to focus on strategic activities.
- **Error Reduction:** Automated data entry and reporting reduce errors, ensuring more accurate submissions.
- **Enhanced Decision-making:** Benchmarking and comparative analysis tools provide valuable insights.

IPEDS Assistant

This solution will allow you to:

- Benchmark performance against similar schools
- Easily see trends for several years
- See trends by student groups of interest
- Report is produced in ready to upload format
